

Phil Collins - Live In Paris - 4th Night

Phil's intro chat
Against all odds
Another day in paradise
One more night
Wake up call
Follow you follow me
Can't turn back the years
I missed again
Hang in long enough
Band présentation
Seperate lives
Only you know what i know
Nick drum solo
I don't care anymore
Something happened on the way to heaven
You know what i mean
In the air tonight
You can't hurry love
Dance into the light
Invisible touch
Easy lover

Take me home
